RE: COMPETITION MORATORIUM

Dear Provincial Sections,

The national moratorium on all sanctioned competitions remains in place until April 30<sup>th</sup>, 2020. Following this date should provincial and municipal health authorities allow recreation facilities to re-open, Provincial Sections may resume local, regional and/or provincial competitions at their discretion. We recommend that competitions only resume after clubs have returned to regular pool based training for a minimum of 30 days.

You are welcome to share this message directly with the clubs and coaches in your province.

Thank you for your ongoing support to the swimming community during these unprecedented times.

Be well,

Brian Edey  
Director, Operations  
Swimming Canada
