

Dartmouth Crusaders Swim Club

Apr 2010 CITRUS SALE FUNDRAISER NOTICE

Order deadline: March 12, 2010
Sale date: April 7, 2010

The citrus for the April sale is the seedless California Navel Orange and Florida Indian River Pink Grapefruit. The California Naval Orange is sweet, tasty, has a strong orange flavor and peels easily (a real favorite with customers). A case (box) weighs about 50 lbs. The Florida Indian River Pink Grapefruit is sweet, juicy and at the peak of ripeness. A case (box) weighs about 40 lbs. The citrus comes in various sizes with 64 being the medium size for oranges and 36 being the medium size for grapefruit. The size refers to the number of oranges or grapefruit in one case (box) of citrus.

We will not be offering apples at this sale since it is getting late in the storage season for Local apples.

Although the citrus is picked, packed and shipped to us immediately there usually is some spoilage. Therefore, you are responsible for sorting your own citrus for spoilage before your customers receive it. Since there is no room on the truck to sort fruit you will either have to sort it in the parking lot or at home. If you sort it at home you will have to return the spoilage to me and pick up replacement fruit. It is very important to ensure that your customers are satisfied with the product they receive in order to sustain their continued support of your club.

The prices are as follows:

- **Oranges** **\$40.00 per box**
- **Grapefruit** **\$40.00 per box**

Half boxes are also available for \$20.00.

The fund raising credit is:

- **Oranges** **\$11.00 per box**
- **Grapefruit** **\$13.00 per box**

To simplify things, I am asking that only members pick up fruit on sale day.

All orders are to be sent by e-mail to crusadercitrus@eastlink.ca . If you have to place a phone order, please call me at home after 6:00pm. If you have to leave a message, **please state the name of your swimmer.**

I am also including an order form to assist you in soliciting orders from your existing customers as well as new customers.

I am insisting that you **submit only checks (no cash)**. Checks make the accounting much easier. Please write the name of your oldest swimmer on the back of each check.

I do not have a facility for the sale so we will be holding it directly out of the truck, as follows:

- **6-7pm in the Sportsplex parking lot next to the woods**

I will let you know before the sale date if anything should change with respect to pickup location and time.

Please note:

- **deadline for orders** **March 12, 2010**
- **date of pickup** **April 7, 2010**

It makes management of the sale so much easier when these dates are observed.

GOOD LUCK WITH YOUR SELLING !!
