To: Corporate Contributor

The London Aquatic Club will host the Junior Provincials Short Course Championship from Thursday, February 28th through to and including Sunday, March 2nd, 2008.

London Aquatic Club is a non-profit organization that hosts several meets per year to generate revenue for the club. The Junior Provincials event attracts over 500 swimmers and their families from Ontario. The London Aquatic Club will have over 100 local families at this meet.

During this meet, the London Aquatic Club will be running a silent auction to generate revenue that will benefit swimmers through program enhancements and training. We are offering you an opportunity to donate something to this silent auction, to help make this event a success.

Your contribution to the silent auction will be noted on the item and we will post any advertising/marketing material that you'd like us to display to acknowledge your donation publicly. By donating to this event, you are supporting the community and helping in the training and development of London's future athletes.

The London Aquatic Club has produced many national and international class swimmers from a dedicated group of young people who train anywhere from 10 hours per week to over 20 hours per week at the national level.

Please support us in this venture. If you're interested in donating an item, please contact me directly at (519) 455-4657 or via email at cindyjensen8@rogers.com. All donations must be received by **Friday, January 11th 2008**.

Thank you for taking the time to consider this request.

Yours truly,

Cindy Jensen,
on behalf of London Aquatic Club
