

Last year, one of the most popular items were the baskets that contained various items like gift certificates, with barbecue utensils, golf items, etc. The list below is merely a guide to help generate ideas. All donations are due Friday, January 11th, 2008 so there is sufficient time to get the items catalogued and auction sheets generated. Drop off times and contacts will be announced closer to the due date. Thanks we appreciate your continued support and contribution to this event.
