There are a variety of opportunities to volunteer for NYAC activities. We are always looking for people to help the club and become more involved with their swimmer's activities.

Please check areas of interest and return with your registration. A NYAC Board Member will contact you at either the beginning of the swim season or when that particular committee begins its work.

We thank you in advance for your interest and your time in making our club successful in 2009-2010!
